

Destination Erie: A Regional Vision

Existing Conditions and Trends Report Appendix

Background working papers were prepared for the Existing Conditions and Trends Analysis by the projects consultants during the fall of 2012. The working papers were used to develop the full report and are available as an appendix in draft form. They include:

- **Economy and Workforce**, Prepared by the Center for Regional Economic Competitiveness (CREC)
- **Housing and Transportation (H+T Index)**, Prepared by Center for Neighborhood Technology (CNT)
- **Housing and Neighborhood Equity**, Prepared by Mullin and Lonergan
- **Climate Change**, Prepared by the Cadmus Group
- **Transportation**, Prepared by Cambridge Systematics
- **Cargo-Oriented Development Opportunities and Constraints**, Prepared by Center for Neighborhood Technology (CNT)
- **Energy**, Prepared by the Cadmus Group
